

Kindergarten Summer Homework

Hello,

Saint Leonard is so excited to have you as a kindergarten student next year! Attached, you will find a homework menu for the summer. At your leisure, please complete the activities in the boxes. If the activity calls for paper, please use a primary lined journal (one with a drawing space at the top). This is on the school supply list already, so feel free to use that! If there is not a way to record something you do, feel free to take pictures and either print them or email them to me!

I also suggest signing up for the Louisville Public Library's free summer reading program. It offers great incentives for something you should already be doing (reading to or with your child). If you have any questions about the homework, please email me at aherl@stleonardlouisville.org.

Thanks, and see you soon!

Ms. Ashley Herl

Kindergarten Summer Homework

Thank you for doing this for me! This will help you get ready for your kindergarten year! St. Leonard is so excited to have you!

Write your name three times and circle any letters that have tails (g,j,p,q,y).	Participate in the free reading program at the Louisville Public Library and win cool prizes.	Practice writing your numbers 0-10 with a wet paintbrush somewhere outside.	Make a recipe with the help of an adult. Remember to measure out your ingredients!
Use scissors to cut out five things in your favorite color. Use a glue stick and glue them onto a paper.	Play Hopscotch or Follow the Leader with a family member or a friend.	Get out a drawer of 10-20 items and sort them into two different groups.	Sing the ABC song a few times each week in the summer. Slow down when it comes to L,M,N,O,P.
Can you think of five words that begin with a B? Have an adult help you write them.	Tell someone three words that rhyme with cat and fan.	Go outside on a sunny day and trace your shadow. Go out the same day an hour or two later, in the same place, and trace your shadow. What happened?	Draw a picture of your house and you standing outside.
Play with Play-Dough or something similar. Try to make letters or numbers with it. Roll it in balls and snakes.	Go to church and meet our new priest!	Practice saying the Prayer Before Meals that begins, "Bless us O Lord and these thy gifts.."	Practice writing all of your uppercase letters in shaving cream or salt!
Practice writing all of your lowercase letters in shaving cream or salt!	Tell a friend or family member what you are wanting to do in Kindergarten.	Go to a story time at the library and listen to a few books.	Have fun and enjoy your summer! See you in August!
